

FISH and SHIPS

20th ANNIVERSARY CONFERENCE

Severn Estuary Levels Research Committee
with Amgueddfa Cymru – National Museum Wales

Friday 10 – Sunday 12 September 2010

Reardon Smith Theatre, National Museum Cardiff

- **Ship topics:** medieval shipping, news from the Newport Ship, life on the *Mary Rose*, the Barcode Wrecks of Oslo and depictions of ships and the sea on manuscripts.

Speakers: Ralph Griffiths, Mark Redknapp, Julie Gardiner, Toby Jones, Jostein Gunderstein, Joe Flatman and Neil Stevenson.

- **Fish topics:** the fishtraps of the Severn Estuary, fishweirs from across Europe, medieval and post-medieval sea fishing, and how fish was traded, cooked and eaten.

Speakers: Toby Catchpole, Aidan O'Sullivan, James Barrett, Rick Turner and Peter Brears.

- Conference to close with a round-up of the last 20 years of archaeology in the Severn Estuary by Nigel Nayling.

- There will also be visits to the Newport Ship Centre, a ride on the Newport transporter bridge, a visit to the Goldcliff Fishery and a tour of the fishing collections of the National History Museum St Fagans.
